St Olave's Prep School

BRINGING OUT THE BEST

An introduction to St Olave's Prep School

St Olave's Prep School is a diverse, friendly and very successful co-ed day school. It benefits from a superb reputation in the area for providing an excellent education across the curriculum and nurturing all pupils so that they achieve outstanding success in a wide range of areas. Parents also value the friendly, family nature of the school and the very high quality of teaching. The school was founded in 1932 and became a charitable trust in 1970. The premises have been extensively expanded and modernised to meet demand for places.

St Olave's is a mixed ability school with approximately 220 children aged 3 to 11 years. There is one Nursery class expanding to two forms per Year group from Reception to Year 6. Early Years entry is non-selective, while older children joining the school are assessed for general suitability.

Pupils leaving the school at 11 years usually gain places in a school of their choice, some with scholarships. The schools that the pupils progress on to are independent senior schools in the South East London area and Kent as well as maintained grammar and secondary schools.

The dedicated and highly motivated Trustees, Senior Leadership Team and staff provide a superb environment in which every child can flourish and develop his or her talents to their full potential. The school offers a broad curriculum where pupils achieve academic success while exploring their talents and interests in the creative arts, music and drama.

About our school

The school nurtures children in their most formative years, introducing children of three to the social aspects of mixing with other children and the beginnings of reading, writing and mathematics. By the time they leave the school to transfer to secondary schools, the foundations have been laid for independent study, an understanding of the world of today and their role within it and the ability to problem solve. The St Olave's pupil has an enquiring mind and a motivation to succeed within the context of caring for and respecting others.

Although the school is always full of activity, the atmosphere is calm, caring and conducive to learning, with a respectful rapport between pupils and staff. Teaching combines traditional methods with the use of new technology and is conducted at a pace that maintains the interest and motivation of each pupil. From the start each one is stimulated and encouraged to explore a range of activities, which help to develop confidence and skill. Clubs are varied and led by the children's interests and staff enthusiastically involve their pupils in many supervised activities at lunchtime and after school.

Pastoral care is given high priority and pupils are looked after and supported by staff in all aspects of school life. There is always time to listen, time to talk, and time to help. Parents are encouraged to take an active part in their child's learning.
